GRIPPE PREVALENT

How to Regain Strength After a Severe Attack.

With so much gripe prevalent this winter a few words of advice regarding its cause and treatment will not be out of place.
Gripe is an infectious disease easily taken when the system is in a tired or run-down condition.
The best means of prevention are to keep the blood in good healthy condition, and if the system gets into a weak, run-down condition, take Vinol, our delicious cod liver and iron tonic.
A lady from Long Branch, N. J., says: "Gripe left me in a nervous, weakened, run-down condition. After taking three bottles of Vinol I am better and stronger than I have been for years, and I cheerfully recommend Vinol to all who have suffered from the gripe and need strength. (Name furnished on request.)
We have never sold in our store such a valuable strength creator and health restorer for the convalescent, the weak and run-down as Vinol, and your money will be returned if it does not do all I claim for it. J. C. Pecor, Druggist, Maysville.
P. S.—If you have any skin trouble try Saxo Salve. We guarantee it.

STYLES IN HOUSEMAIDS.

Young Mrs. Wombat was a dame
Who always dressed in style,
She understood the fashion game,
On dresses spent a pile.

Oh she was willowy and slim,
Could wear both checks and stripes,
And liked to have her housemaids trim
And they were slender types.

But she would meet them on parade
And note with many frowns
A pantry girl or parlor maid
In one of her own gowns.

She had to drop her slender girls,
From knowledge caution springs,
And now she hires some portly pearls
Too fat to wear her things.

DOCTOR SAID HE HAD DROPSY

Some time ago I had an attack of gripe which finally settled in my kidneys and bladder. I doctored with the doctors and they claimed I had dropsy. I tried other remedies and got no relief from any of them. My condition was such that I was unable to work for about two months and the annoying symptoms caused me a great deal of trouble and pain. I was hardly able to turn over in bed. Seeing one of your Almanacs, I decided to give Dr. Kilmer's Swamp-Root a trial and after taking several bottles was able to resume my work again. I cannot say too much in praise of your Swamp-Root as the results in my case were truly wonderful.

Yours very truly,
ROBERT BALLARD,
Mansfield, Pa.

EPWORTH LEAGUE SILVER JUBILEE

To Be Celebrated in Fitting Manner May 15th By the League of the Third Street M. E. Church.

The Epworth League of the Third Street M. E. Church is making plans for the celebration of the Silver Jubilee of the Epworth League movement May 15th, 1889, the Epworth League was born in a convention of young people in Cleveland, Ohio.

The League from the very outset has had a remarkable growth. It has proved one of the best agencies for the development of the young Christian life ever organized. It was not long after the birth of the movement that a chapter was organized in the Third Street Church of this city.

This chapter has continued its organization and work since the beginning without any intermission on account of lack of interest. It has ever been one of the main-stays of the church.

At the present time chapter 2649 of this church is enjoying unusual prosperity. With a growing membership of close on to one hundred; and with the devotional services attended by nearly a hundred every Sunday, the leaders feel that they have every reason to make of the twenty-fifth anniversary of the League one of unusual consequence.

The 15th of May falls on Friday this year so the main celebration will be on Sunday the 17th. Rev. E. C. Wareing, Associate Editor of the Western Christian Advocate has been secured for the whole day. He will preach at the morning service, and at the anniversary service proper, which will be in the evening, he will give his celebrated lecture entitled "Fire Bringers." Rarely does Maysville people have the opportunity to hear such a gifted preacher as Dr. Wareing. Previous to his becoming an editor he was pastor of the First E. Church, Brazil, Indiana, the church that has the largest Sunday School in Methodism—over 4,000. He has a message and you want to hear it.

The League will not pass the 15th, the real anniversary day, without some notice. They have on foot plans for a big social meeting on that evening to which every member and friend of the church will receive a personal invitation. Watch for further announcements.

Mexico's Turbulent History--Next?

Mexico, torn by forty-six revolts in the last 113 years, now faces trouble with its most powerful neighbor. Of these revolts twenty-one have been successful in themselves and disastrous for the men who led them. Three of these leaders were forced to flee their country and two of them, Vincente Guerrero and Francisco Madero, were assassinated. The successful revolutions were: February 24, 1821—Spain loses Mexico and Augustin de Iturbide elected president-regent twice and in 1822 crowned emperor. May 11, 1823—Emperor Iturbide defeated by Santa Ana. January 12, 1829—Revolution headed by Santa Ana results in election of President Guerrero and his inauguration in April. December 4, 1829—Revolt led by General Bustamante results in his election as president a year later. December, 1832—Santa Ana revolts against Bustamante and Manuel G. Pedraza is made president. December, 1833—Two-year revolution led by Santa Ana results in his being declared dictator. April 29, 1837—General Bustamante appeals to people and is elected president after several small uprisings. July 15, 1840—Mexico City entered by General Urrea, who proclaimed himself president. August 8, 1841—Revolt led by General Paredes results in issuance by him of final pronouncement against Bustamante. December 6, 1844—General Herrera assumes government. December 14, 1845—General Paredes deposes President Herrera. August 4, 1846—General Jose M. Salas ousts Paredes. July 27, 1852—Revolt started by General Blancarte and return of Santa Ana as president is announced. President Arista resigns the following year. July, 1855—General revolt shakes the country and Santa Ana flees. October 4, 1855—General Juan Alvarez made president and succeeded by Ignacio Comonfort. January, 1858—Comonfort is betrayed by his friend, Zalazaga, who becomes president when Comonfort flees. 1861—Benito Juarez returns to Mexico and becomes president. November, 1861—Maximilian proclaimed emperor upon the landing of the French. July, 1867—Juarez leads another successful uprising and again becomes president. 1868—Revolt headed by Porfirio Diaz ends in death of Juarez. November 16, 1876—Diaz assumes presidency. November 6, 1911—Revolt against Diaz led by Francisco Madero, who becomes president. February 18, 1913—Victoriano Huerta proclaimed president after the Felix Diaz revolt. February 23, 1913—Madero assassinated, supposedly by Huerta's henchmen. April 9, 1914—Assistant United States paymaster and complement of men from the gunboat Dolphin arrested by Huerta officers at Tampico. Apology demanded but not forthcoming. April 14—Two fleets of United States battleships ordered to Mexican waters. April 18, 1914—President Wilson gives Huerta until 6 o'clock p. m. of April 19 to fire his salute or submit to having the Congress of the United States take up the matter on April 20.

NEW LIFE Found In Change to Right Food.
After one suffers for months from acid dyspepsia, sour stomach, and then finds the remedy is in getting the right kind of food, it is something to speak about.
A New York lady and her young son had such an experience and she wants others to know how to get relief. She writes: "For about fifteen months my little boy and myself had suffered with sour stomach. We were unable to retain much of anything we ate. "After suffering in this way for so long I decided to consult a specialist in stomach diseases. Instead of prescribing drugs, he put us both on Grape-Nuts and we began to improve immediately. "It was the key to a new life. I found we had been eating too much heavy food which we could not digest. In a few weeks after commencing Grape-Nuts, I was able to do my house work. I awoke in the morning with a clear head and feel rested and have no sour stomach. My boy sleeps well and wakes with a laugh. "We have regained our lost weight and continue to eat Grape-Nuts for both the morning and evening meals. We are well and happy and owe it to Grape-Nuts." Name given by Postum Co., Battle Creek, Mich. WHY GO TO CHURCH

Because the Church Reflects The Moral and Religious Ideals All Good and Pure Men Strive For.

People should go to church because the function of the church is: To proclaim the revelation of God to men.

To maintain the liberty of the mind and body and to properly direct the conscience.

To arouse the people to their duty in the way of patriotism and loyalty to country and God.

To inculcate the brotherhood type of religion in the hearts and minds of the people.

What Would This Place Be Like? The question might well be asked what would Maysville be like if there were no churches in it? It has been repeatedly said that it would pay any town to pay the entire salaries of the ministers in it, in order to have them walk the streets of that town as personal representatives of the morals and religion which the church teaches.

The moral tone of the community is shaped by the churches. The early impressions given to the youth in the Sunday School are lasting impressions, yet many a man has failed to recognize that all the morality he may have, he now possesses because of what the church teaches.

If therefore the church did not keep up this moral teaching, the time would come when even here in Maysville, immorality would be as bold as day-light and personal safety would be in jeopardy.

Because of what the churches have done and are doing and will do, every body in Mason County should go to church.

The special GO-TO-CHURCH DAY is MAY 3rd.

Saturday will be Red Letter Day.
